

On the occasion of the Sud Raid Adventure Race 2025, the teams evolve in packraft on several rivers of class 1, 2, 3 and a passage in class 4 according to the level and the flow of water (classification of the International Canoe Kayak Federation). The knowledge and levels of practice required are based on the colored paddles. Teams of 4 people must have two Green Paddles and two Blue Paddles to be able to combine a Blue Paddle and a Green Paddle per boat.
